## The Dean's Mixture

**H**APPY NEW YEAR!

As I write this, I am realizing that for many of us this was not the Christmas season that we anticipated a year ago. 2021 remains much different from 2019. While reflecting on Advent and Christmas music of the last three seasons. I was also editing a virtual version of "God of Change and Glory" (KATHERINE) to play on Epiphany.

There is this remarkable line of text in the refrain which got me to thinking:

*Many gifts, one Spirit,  
one love known in many ways.  
In our difference is blessing,  
from diversity we praise  
one Giver, one Lord,  
one Word known in many ways.*

—Al Carmines; words and music © 1974, Al Carmines

It seems to me that this text can also have relevance to what church music leaders and their musicians have been doing since March 2020. BIG DIFFERENCES, for sure! My most vivid memory from Christmas Eve will be singers who couldn't sing in the church yet brought great joy and MUSIC to the evening—the sound of handbell, percussion instruments and even clapping being played live with the broadcast of virtual productions sounded throughout the sanctuary. These singers will be ready to sing and return to their choir community when the time arrives for singing in the sanctuary. And we, as musicians will be ready to provide them direction. Is it too soon to think that at least a few of the differences we experienced during the pandemic provided blessings? The goal of our music is the same, after all.

I remain amazed at the creativity that has been and know will continue to be generated by church

musicians. It has been one of my joys during these "pandemic" years to serve as your chapter Dean. As we move into 2022, we will begin the process to elect a new Board. It might be a really great time for you to provide service to the chapter. Think of ways that you might like to serve the chapter.

May this be a safe and healthy 2022,  
Billie Busby Smith, Dean
